Improved Security Code Request

To request a security code, it was previously required to select the **Send Code** link below the code entry box.

The screenshot shows the 'Check In for Stanley Buyer - eConsent' page. At the top, there is a header with the Pavaso logo, closing and loan information, and progress indicators for '0% Complete', 'Contact Support', and 'End Session'. Below the header, the page title is 'Check In for Stanley Buyer - eConsent' with a 'Back to Participants' button. The main content area contains a consent form with several sections of text. At the bottom of the form, there is a text input field labeled '* Enter Verification Code' and a 'Send Code' link. A red box highlights the 'Send Code' link. Below the input field are 'Decline' and 'Accept' buttons.

The link has been replaced with a **Request Code** button to improve the visibility of the option to send the code.

The screenshot shows the updated 'Check In' page. At the top, there is a header with the Pavaso logo, 'Contact Support', and 'Leave Session' buttons. Below the header, there is a progress bar with five steps: 1. Enter Verification Code, 2. Setup Your Device, 3. Security Questions, 4. Setup Your Signature, and 5. Validate Your ID. The main content area contains the text 'Enter your Verification Code and select "Continue" to proceed.' Below this text is a text input field labeled '* Enter Verification Code' and a 'Request Code' button. A red box highlights the 'Request Code' button. Below the input field is a 'Continue' button.
