

Pavaso's New Signing Experience Enhancements

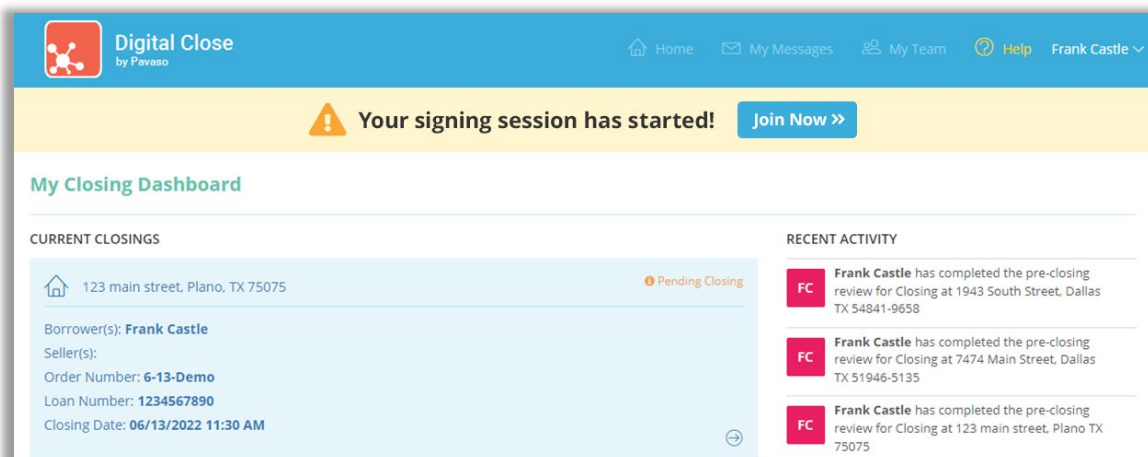

1. Improved Screen Share Instructions During RON Signings

When consumers need to share their screen during a RON signing session, an animated image will now display instructing them how to select their screen. This varies by browser.

2. "Join Now" Button Added for Consumers to Join Active RON Session

A consumer logged in to their Pavaso account will see a banner across the top of the page indicating their RON session has begun. The consumer can click on **Join Now** to be taken directly to the signing check in page.
